

Kindness has its astounding ripple effects, so a little kindness can go a long way...

Thank you to Murali & the staff at Hampton Bar & Grill for not only preparing wonderful food for the Hampton Fun Day but also his act of kindness on donating some of the proceeds to a local organization, Firehouse Youth Centre. Cheque presentation made from Murali to Veronica & Lucas of Firehouse Youth Centre.

Also, a thank you going out to all the HCA team, volunteers and community members that made this day such a HUGE success!
